Annual Compliance Report

This report describes the controls in place for the financial year ending 31 December 2023. All staff must complete the anti-bribery training within 30 days of joining. Managers review access rights every quarter and record exceptions in the risk register.

Customer complaints are logged within two working days and resolved within eight weeks. The board receives a summary of complaints each month.

Control	Owner	Frequency
Access review	IT Security	Quarterly
Training	HR	Annually
Supplier audit	Procurement	Every two years

Section 4 Data protection 12

Retention: records are kept for six years after the end of the relationship.

Disposal: paper records are shredded on site by an approved contractor.

Suppliers are assessed before onboarding and reviewed every year. Contracts above the approval limit need sign-off from the finance director.

Revenue grew by 12% to 4.2 million. The policy applies to all staff. The policy applies to all contractors as well.
